About HUIS Homewares

We are HUIS Homewares, a sole trader whose registered business address is 49 Ashen Grove, London, SW19 8BL. You can contact us via post at that address, or via email at huis.homewares@outlook.com.

If we have to contact you, we will do so by writing to you at the email address or postal address that you provided to us in your order. When we use the words "writing" or "written" in these terms, this includes emails.

The Contract

Orders are submitted via the Site as set out in this clause.

Once you are ready to make a purchase, click on "Add to Shopping Bag" to add the Product(s) you wish to purchase to your Shopping Bag. Then proceed by clicking "Proceed to Purchase" to log into our secure servers to complete your Order.

If this is your first purchase on our Site, you will have the option to register and create an account with us using your email address and you will also be asked to create a password. You must keep this password confidential and not disclose it to any third party. You will then be asked to input your address. The address that you register with must be the address that the card statement is sent to, however you can use a different delivery address if you so wish. If you have already registered with us, you may enter your login details to access your account.

Once signed in or registered, you must select your preferred method of delivery (if any delivery charges are payable these will then be added to the amount you will be charged), confirm you wish to make an Order and consent to the Terms of Sale. You will then be asked to confirm your delivery address and input your payment details.

Once you have finished compiling your Order, you will be asked to confirm that your Order is correct. It is your responsibility to ensure that your Order is correct before submitting it to us.

We will then send you a confirmation email (including your order reference number) to acknowledge that we have received your Order ("Confirmation"). This is sent to the email address you register with us. After sending you the Confirmation we will process the payment details you have given to us to take payment for your Order.

Our acceptance of your Order will be complete only when we send a second email to you confirming your Order and dispatch of the Product(s) and after payment is taken from your credit or debit card.

If we are unable to fulfil your Order, you will receive an email from us informing you that the Order has not been accepted and we will refund the payment for your Order to you.

Only adults (persons aged 18 and over) are entitled to enter into legally binding contracts.

Making a Change to the Contract

If you wish to make a change to the Product(s) you have ordered, please contact us. We will let you know if the change is possible.

Unfortunately, if we have already sent you the second email referred to described above, with confirmation of dispatch, then we are unable to change your Order, although you will still have the rights to cancel described below.

Price

When you submit your Order, you are offering to buy the Product(s) at the price set out in the Order.

Delivery charges (where applicable) and any import duty and taxes incurred will be added to the total amount due when you view the Product(s) in your Shopping Bag. The total cost for the Product(s) and any applicable delivery charges will be displayed before you confirm your Order and will be set out in the confirmatory email you receive from us.

Our prices may change at any time. If we discover that the price for a Product has changed or that there has been a pricing error when we receive your Order we will contact you and ask if you wish to proceed at the correct price. If you confirm that you do wish to proceed, please remember that we will not be under an obligation to supply the Product(s) until we have sent you the second email confirming your Order.
